1ST WASTE MANAGEMENT ACHIEVEMENT AWARD

in conjunction with

WMAM ANNUAL

CONFERENCE

NOW OPEN FOR NOMINATION!

ABOUT THE AWARD

In conjunction with WMAM Annual Conference 2023 in Ipoh, Perak on the 2nd & 3rd of August 2023, we are thrilled to announce the 1st Waste Management Achievement Awards, a distinguished recognition designed to celebrate the outstanding achievements of waste management companies in Malaysia. As advocates for sustainable practices and environmental stewardship, we believe it is crucial to honor and showcase the remarkable contributions made by companies in this vital sector.

The aim of this Award is to recognize and celebrate the environmental accomplishments and leadership demonstrated by businesses and industries. It serves as a platform to raise awareness about environmental stewardship among enterprises that have yet to prioritize sustainability. By participating in this Award, businesses can identify areas for improvement and enhance their environmental management practices. This initiative also promotes capacity building, fosters partnerships, and helps organizations meet stringent environmental requirements and global challenges.

By participating in the Award, companies showcase their commitment to achieving best waste management performance excellence to various stakeholders, including customers, suppliers, and regulatory bodies. This participation provides companies with an independent and comprehensive assessment of their management practices in addressing environmental issues. Moreover, it offers a valuable opportunity to measure their performance and compare their practices against other industries, thus enabling benchmarking for continuous improvement
